To Brokers and Salespersons:

The licensing of a real estate broker or salesperson is an endorsement to the public that the licensee is an honorable, trustworthy person, knowledgeable in the field of real estate. In accepting licensure, you are committing yourself to protect and promote the best interest of your principal, and at the same time be honest, fair and just with the purchaser of real estate. This commitment must be of primary concern to all licensees.

Your cooperation with the Board in detecting and exposing violations of the Real Estate License Law and unlicensed real estate operators will be a service to the public, yourselves and to the State of Montana. Violators of the License Law jeopardize your standing in the community and are detrimental to the public interest.

FOREWORD

The Montana Board of Realty Regulation publishes this Directory pursuant to the Real Estate License Act of 1963, as amended, and as a source of information to those engaged in the real estate business and other interested persons.

A list of all licensed real estate brokers and salesmen as of January 1, 1981, is included in this publication. Brokers are listed in alphabetical order by counties in the State, with their salesmen listed directly below.

The Board is appreciative of the cooperation received from the public and the profession in administering the real estate law in the past. It is the desire of the Board to administer the law in a manner that maximum protection may be afforded to the public and the licensee. This objective can be maintained only through the continued and close cooperation of the public and the profession.

Any problems, complaints, or requests for assistance should be addressed to:

37-51-102. Definitions. Unless the context requires otherwise, in this chapter the following definitions apply:

(1) "Board" means the board of realty regulation provided for in 2-15-1644.

(2) "Broker" includes an individual who for another or for a fee, commission, or other valuable consideration or who with the intent or expectation of receiving the same negotiates or attempts to negotiate the listing, sale, purchase, rental, exchange, or lease of real estate or of the improvements thereon or collects rents or attempts to collect rents or advertises or holds himself out as engaged in any of the foregoing activities. The term "broker" also includes an individual employed by or on behalf of the owner or lessor of real estate to conduct the sale, leasing, subleasing, or other disposition thereof at a salary or for a fee, commission, or any other consideration. The term "broker" also includes an individual who engages in the business of charging an advance fee or contracting for collection of a fee in connection with a contract by which he undertakes primarily to promote the sale, lease, or other disposition of real estate in this state through its listing in a publication issued primarily for this purpose or for referral of information concerning real estate to brokers, or both, and any person who aids, attempts, or offers to aid, for a fee, any person in locating or obtaining any real estate for purchase or lease.

(c) the franchisee is required to pay, directly or indirectly, a fee for the right to operate under the agreement.

(7) "Person" includes individuals, partnerships, associations, and corporations, foreign and domestic, except that when referring to a person licensed under this chapter, it means an individual.

(8) "Real estate" includes leaseholds as well as any other interest or estate in land, whether corporeal, incorporeal, freehold, or nonfreehold and whether the real estate is situated in this state or elsewhere.

(9) "Salesman" includes an individual who for a salary, commission, or compensation of any kind is associated, either directly, indirectly, regularly, or occasionally, with a real estate broker to sell, purchase, or negotiate for the sale, purchase, exchange, or renting of real estate.

37-51-103. Exemptions. A single act performed for a commission or compensation of any kind in the buying, selling, exchanging, leasing, or renting of real estate or in negotiating therefor for others, except as hereinafter specified, shall constitute the person performing any of such acts a real estate broker or real estate salesman. The provisions of this chapter, however, shall not:

(1) apply to any person who, as owner or lessor, shall perform any of the aforesaid acts with reference to property owned or leased by himself or to an auctioneer employed by the owner or lessor to aid and assist in conducting a public sale held by such owner or lessor;

(2) apply to any person acting as attorney-in-fact under the duly executed power of attorney from the owner of any real estate authorizing the final consummation of any contract for the purchase, sale, exchange, renting, or leasing of any real estate;

(6) apply to public officials in the conduct of their official duties;

(7) apply to any person, partnership, association, or corporation, foreign or domestic, performing any act with respect to prospecting, leasing, drilling, or operating land for hydrocarbons and hard minerals or disposing of any hydrocarbons, hard minerals, or mining rights therein, whether upon a royalty basis or otherwise; or

(8) apply to persons acting as managers of housing complexes for low-income persons, which are subsidized, directly or indirectly, by this state or any agency or subdivision thereof or by the government of the United States or any agency thereof.

Part 2

Board of Realty Regulations

37-51-201. Chairman — seal — records — prohibition on membership in real estate associations.

(1) The members of the board shall elect a chairman from among their number.

(2) The board shall adopt a seal of a design as it shall prescribe. Copies of records and papers kept by the department, certified by the chairman and authenticated by the seal of the board, shall be received in evidence in courts with like effect as the original. Records of the board are open to public inspection under rules it prescribes.

(3) The department shall keep a record of proceedings, transactions, communications, and official acts of the board; be custodian of the records of the board; and cause to be performed other duties as the board, on the written request of two or more members of the board or at other times as the chairman in his discretion, considers necessary.

(4) Neither the chairman nor an employee of the department hired to provide services to the board may be an officer or paid employee of any real estate association or group of real estate dealers or brokers.

37-51-202. General licensing power. The board may regulate the issuance of licenses and revoke or suspend licenses issued under this chapter.

37-51-203. Rulemaking power. The board shall from time to time adopt rules to carry out the provisions of this chapter.

37-51-204. Educational programs.

(1) The board may, subject to 37-1-101, conduct, hold, or assist in conducting or holding real estate clinics, meetings, courses, or institutes and incur necessary expenses in this connection.

(2) The board may assist libraries and educational institutions in sponsoring studies and programs for the purpose of raising the standards of the real estate business and the competency of licensees.

37-51-205. Compensation of members — expenses. Each member of the board shall receive as compensation for each day actually spent on his official duties the sum of $25 and travel expenses, as provided for in 2-18-501 through 2-18-503, connected with the performance of duties for the board.

37-51-206. Attorney general to act as attorney for the board. The attorney general shall act as attorney for the board in actions and proceedings brought by or against it under this chapter. Fees and expenses of the attorney general acting in this capacity shall be paid out of board moneys in the earmarked revenue fund.

37-51-207. Schedule of fees. The board shall adopt a schedule of fees to be charged by the department and to be paid into the earmarked revenue fund for the use of the board. The fees charged must be reasonably related to the cost incurred in regulating the real estate industry.

37-51-208. Deposit of money not otherwise provided for. Whenever money is received by the board or by the department for the use of the board and there is no provision for the disposition or deposit of the money, the money is to be deposited in the earmarked revenue fund for the use of the board.

Part 3

Licensing

37-51-301. License required — limited to persons.

(1) It is unlawful for a person to engage in or conduct, directly or indirectly, or to advertise or hold himself out as engaging in or conducting the business or acting in the capacity of a real estate broker or a real estate salesman within this state without a license as a broker or salesman or otherwise complying with this chapter.

(2) Corporations, partnerships, and associations may not be licensed under this chapter. A corporation or a partnership may act as a real estate broker if every corporate officer and every partner performing the functions of a "broker," as defined in 37-51-102(2), is licensed as a broker. All officers of a corporation or all members of a partnership acting as a broker are in violation of this chapter unless there is full compliance with this subsection.

37-51-302. Broker or salesman license — qualifications of applicant.

(1) Licenses may be granted only to individuals considered by the board to be of good repute and competent to transact the business of a broker or salesman in a manner as to safeguard the interests of the public.

(2) An applicant for a broker's license shall:

(a) be a citizen of the United States;

(b) be at least 18 years of age;

(c) have graduated from an accredited high school or completed an equivalent education as determined by the board;

(d) have been actively engaged as a licensed real estate salesman for a period of 2 years or have had experience or special education equivalent to that which a licensed real estate salesman ordinarily would receive during this 2-year period as determined by the board, except that if the board finds that an applicant could not obtain employment as a licensed real estate salesman because of conditions existing in the area where he resides, the board may waive this experience requirement; and

(e) file an application for license with the department.

(3) The board shall require information it considers necessary from an applicant to determine his honesty, trustworthiness, and competency.

(4) (a) An applicant for a salesman's license shall:

(i) be at least 18 years of age;

(ii) have received credit for completion of 2 years of full curriculum study at an accredited high school or completed an equivalent education as determined by the board; and

(iii) file an application for license with the department.

(b) His application shall be accompanied by the recommendation of the licensed broker by whom the applicant will be employed or placed under contract, certifying that

the applicant is of good repute and that the broker will actively supervise and train the applicant during the period the requested license remains in effect.

(5) The department shall issue to each licensed broker and to each licensed salesman a license and a pocket card in a form and size as the board prescribes.

(6) A broker's license must indicate whether the broker is a broker owner or a broker associate.

37-51-303. Broker or salesman examination.

(1) In addition to proof of honesty, trustworthiness, and good reputation, an applicant whose application is then pending shall satisfactorily pass a written examination prepared by or under the supervision of the board. The examination shall be given at least once each 6 months and at places within the state the board prescribes.

(2) The examination for a salesman's license shall include business ethics, writing, composition, arithmetic, elementary principles of land economics and appraisal, a general knowledge of the statutes of this state relating to deeds, mortgages, contracts of sale, agency, brokerage, and of this chapter.

(3) The examination for a broker's license shall be of a more exacting nature and scope and more stringent than the examination for a salesman's license.

(4) An applicant who has failed twice in succession to pass the same class of examination is ineligible for a further examination for 6 months.

37-51-304. Bond required for licensure of broker or salesman. No license may be issued or renewed until the applicant for a broker's license or salesman's license has filed a bond with the department in the sum of $10,000 executed by a surety company authorized to do business in this state in a form approved by the board and conditioned that the applicant, if and when licensed shall conduct his business and himself in accordance with this chapter and shall pay, to the extent of $10,000, judgments recovered against him for loss or damage to a person arising in the course of the applicant's practice as a real estate broker or salesman. Bonds given by licensees under this chapter, after approval, shall be filed and held in the office of the department. If, for any reason, the bond of a broker or salesman is cancelled or voided, the license of the broker or salesman is automatically suspended until the broker or salesman is again fully bonded and the bond has been approved by the board. If the suspension is not terminated by rebonding and approval within 30 days from the date of suspension, the license of the broker or salesman is automatically revoked.

37-51-305. License — form — delivery — display — pocket card.

(1) The board shall prescribe the form of license. A license shall bear the seal of the board.

(2) The license of a real estate salesman shall be delivered or mailed to the real estate broker with whom the real estate salesman is associated and shall be kept in the custody and control of the broker.

(3) A broker shall display his own license conspicuously in his place of business.

(4) The department shall annually prepare and deliver a pocket card certifying that the person whose name appears is a registered real estate broker or a registered real estate salesman, stating the period for which fees have been paid and, on real estate salesman's cards only, the name and address of the broker with whom he is associated.

37-51-306. Transactions with nonresidents and with nonlicensed brokers or salesmen — reciprocity — consent to legal process.

(1) It is unlawful for a licensed broker to employ or compensate, directly or indirectly, a person for performing the acts regulated by this chapter who is not a licensed broker or licensed salesman. However, a licensed broker may pay a commission to a licensed broker of another state if the nonresident broker has not conducted and does not conduct in this state a service for which a fee, compensation, or commission is paid. This subsection does not limit the next subsection.

(2) A nonresident of this state actively engaged in the real estate business who maintains a place of business in another state and who has been licensed in the other state to conduct this business in that state may obtain a license as a broker in this state by complying with this chapter. However, this section applies only to brokers of those other states which offer the same privileges to the licensed brokers of this state. The board may authorize the department to license a nonresident broker without examination if he files with the department an authorized or certified copy of the license issued to the nonresident for conducting this business in another state and pays to the department the same license fee as is required for obtaining a broker's license in this state. The board may in its discretion refuse to authorize the department to issue a broker's license to an applicant who is not a resident of this state.

(3) A nonresident broker shall file an irrevocable written consent that legal actions arising out of a commenced or completed transaction may be commenced against the nonresident broker in a county of this state which may be appropriate and designated by Title 25, chapter 2, part 1. The consent shall provide that service of summons in this action may be served on the department for and on behalf of the nonresident broker, and this service is sufficient to give the court jurisdiction over the nonresident broker and his salesman or agent conducting a transaction in a county. The consent shall be acknowledged and, if made by a corporation, shall be authenticated by its seal.

37-51-307. Directory of licensees. The department shall annually publish a directory of licensees, including a list of licenses suspended and revoked, which shall contain such other data the board determines to be in the interest of real estate licensees and the public.

37-51-308. Broker's office — notice to department of change of address. (1) A resident licensed broker shall maintain a fixed office in this state. The original license of the broker and the original license of each salesman associated or under contract with the broker shall be prominently displayed in the office. The address of the office and any branch office shall be designated on the broker's license.

(2) In case of removal from the designated address, the licensee shall notify the department before removal or within 10 days thereafter, designating the new location of this office and paying the required fee, whereupon a license for the new location must be issued for the unexpired period.

37-51-309. Broker owner — broker associate — salesman — notice to department of change of association. (1) A salesman may not be associated with or under contract to more than one licensed broker owner, nor may he perform services for a broker other than the one designated on the license issued to the salesman.

(2) When a licensed salesman desires to change his association or contractual relationship from one licensed broker to another, he shall notify the department promptly in writing of these facts, pay the required fee, and return his license and pocket card, and a new license and pocket card shall be issued. No salesman shall directly or indirectly work for or with a broker owner until he has been issued a license to work for or with that broker owner. On termination of a salesman's association or contractual relationship, he shall surrender his license and pocket card to his broker owner who shall return them to the department for cancellation.

(3) Only one license shall be issued to a salesman to be in effect at one time.

(4) A broker associate may not be associated with more than one broker owner.

37-51-310. Annual renewal. Annual fees are due and payable for the ensuing year during the month of December of each year. Failure to remit annual fees before January 1 automatically cancels the license, but otherwise the license remains in effect continuously from the date of issuance unless suspended or revoked by the board for just cause.

37-51-311. Fees — deposit of fees.

(1) The following fees shall be charged by the department and paid into the earmarked revenue fund for the use of the board, subject to 37-1-101(6):

(a) for each examination, a fee not to exceed $25;

(b) for each original resident broker's license issued, a fee not to exceed $50;

(c) for each annual renewal of a resident broker's license, a fee not to exceed $30;

(d) for each original nonresident broker's license issued, a fee not to exceed $50;

(e) for each annual renewal of a nonresident broker's license, a fee not to exceed $30;

(f) for each original salesman's license issued, a fee not to exceed $25;

(g) for each annual renewal of a salesman's license, a fee not to exceed $15;

(c) the licensee or agency in advertising shall be especially careful to present a true picture and shall not advertise without disclosing his name and identity as a real estate licensee. Such disclosure shall be required whenever the licensee or agency negotiates or attempts to negotiate the listing, sale, purchase or exchange of real estate as described in section 37-51-102 (2), (8) MCA, which belongs to the licensee, the agency or belonging to a third party.

(4) Further actions demonstrating unworthiness or incompetency shall include, but not be limited to the following:

(g) the licensee shall inform any seller at the time an offer is presented that he will be expected to pay certain closing costs such as discount points and the approximate amount of said costs;

(h) lending a broker's license to a salesman, or permitting a salesman to operate as a broker, or failure of a broker to properly supervise the activities of his licensees;

(i) failure to disclose to a buyer a material fact regarding the condition of a parcel of real estate of which a licensee has knowledge.

(5) A broker who signs the application of a salesman as being his employee and such is determined by the board not to be the case, will render himself liable for suspension or revocation of license. (History: Sec. 37-51-203 MCA; **IMP,** Sec. 37-51-321; Eff. 12/31/72; **NEW** 1978 MAR p. 203, Eff. 2/24/78; **AMD** 1979 MAR p. 000, Eff. 12/14/79.)

40.56.421 SEVERABILITY (1) If any section, subsection, sentence, clause, or phrase of these rules be for any reason held to be invalid, such holding shall not affect the validity of the remaining portion of said rules. The Montana board of real estate hereby declares that it would have passed and adopted these rules in each section, subsection, sentence, clause, or phrase thereof, separately and irrespective of the fact that any one or more of them be held invalid. (History: Sec. 37-51-203 MCA; **IMP,** Sec. 37-51-203 MCA; Eff. 12/31/72.)
